

"Title Talks"

The Business of Abstracting

The business of Abstracting titles is of comparatively recent growth. As lands increase in value, the need of title security becomes more and more imperative.

It is just as sensible to safeguard the title to a thousand dollar vacant lot or to any other property, as it is to keep your thousand dollar bond under lock and key.

PROTECTION IN EITHER CASE IS THE THING SOUGHT.

Good titles make real estate as negotiable as stocks and bonds.

There is no way of being sure about the title except by the help of an abstract by a reliable company.

Deafness Cannot Be Cured

by local applications, as they cannot reach the dis-
eased portion of the ear. There is only one way to
cure deafness, and that is by constitutional remedies.
Deafness is caused by an inflamed condition of the
mucous lining of the Eustachian Tube. When this
tube is inflamed you have a rumbling sound or im-
perfect hearing, and when it is entirely closed, Deaf-
ness is the result, and unless the inflammation can be
taken out and this tube restored to its normal condi-
tion, hearing will be destroyed forever; nine cases
out of ten are caused by Catarrh, which is nothing
but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of
Deafness (caused by catarrh) that cannot be cured
by Hall's Catarrh Cure. Send for circulars free.

The body of an unknown man was
found in Brooklyn last week, and upon
an examination by the coroner a note

asked for shoes these days, Goodbye.

If this man had known of the Bar-

would be alive and happy today and his
family would all be shed and he would
